**October Meeting - 6:45 PM - Tuesday , October 3, 2017**  
**Chippewa Valley Museum, Eau Claire, WI**

## US RAIL SAFETY DAY SEPTEMBER 24, 2017

Sunday, September 24th will be US Rail Safety Day. Noon to 5 pm. Paul Almquist is the chair of the event. Please show up to help.

Mike, Mick, Paul, and Jason get the wire spools set for feeding the roundhouse first. The wires were pulled into the roundhouse and to the interior panel. The remaining wires were pulled to the main panel board at the roundhouse.

# CHIPPEWA VALLEY RAILROAD ASSOCIATION

**Feeding the Wire.** Wire was next fed from the spools into the junction box to the main panel board box.

**Feeding the Wire.** Wire was pulled from the buried conduit at the panel,

**Feeding the Wire.** Wire was pulled into the depot panel.
